vance,
you are knowingly and willfully concealing material facts of evidence from me and thereby conspiring with the men who assaulted to deprive me of unalienable rights.
18 U.S. Code § 242 - Deprivation of rights under color of law
18 U.S. Code § 241 - Conspiracy against rights

i require you forward this public record email chain to your immediate supervisor and have them contact me immediately to resolve this issue.

i live in constant and perpetual substantiated fear for my life from men with guns who, by force of arms, compel me against my own god given free-will to perform commercial intercourse.
i demand an audience with a competent man to resolve this issue immediately and permanently.

MY ONLY OPTION IS TO CONTACT YOU AND DEMAND INFORMATION SO I CAN TAKE LEGAL ACTION.

TO DEPRIVE ME THIS INFORMATION IS A TRAVESTY AND AN ACT OF FRAUD. YOU SHOULD BE ASHAMED OF YOURSELF AND IT IS ASTONISHING THAT A MAN LIKE YOU OCCUPIES EMPLOYMENT AS A LAW ENFORCEMENT OFFICER.

i have been assaulted on multiple occasions and recently beaten, kidnapped, held prisoner, my car stolen and and more for exercising my free speech and defending myself.

THEN THE EVIDENCE WAS KNOWINGLY AND INTENTIONALLY DESTROYED!!!!

AND YOU ARE CONCEALING THE IDENTITY OF THE MEN WHO COMMITTED THIS TRESPASS AGAINST ME.

i am an honest hard working man that has never harmed anyone and never damaged anyone property.
I am a man of god, of peace and of honor and my life is being destroyed by unethical, unintelligent incompetent men with guns that will publicly execute me for not obeying their unlawful and unreasonable commands which they have no authority to issue to me in the first place.

men acting as agents of and for PASADENA POLICE DEPARTMENT as PASADENA POLICE DEPARTMENT police officers knowingly and willfully deprive me of rights through blatant acts of fraud and deception.

i possess absolute undeniable and unambiguous evidence of every claim i have made

i absolutely have a right to know the names of the men that attacked me and you absolutely possess this information and absolute have obligation to provide me with this information and absolutely refuse to provide me with this information and your rules can not abridge my rights.

I AM BEING ATTACKED BY MEN WITH GUNS BREAKING THE LAWS THEY CLAIM TO BE ENFORCING! MY LIFE IS IN DANGER FROM THESE MEN, WHO HAVE NO MORALS AND KILL PEOPLE FOR BREAKING RULES!

HOW MAN PEOPLE HAVE DIED IN POLICE CUSTODY?
DO YOU KEEP PROPER RECORDS OF THIS?
YOU KEEP VERY ELABORATE RECORDS FOR MANY OTHER LESS IMPORTANT THINGS LIKE WHEN SOMEONE SHOWS UP LATE FOR WORK.

i am trying to protect myself from being publicly executed by men acting as agents of and for CITY OF PASADENA as PASADENA POLICE DEPARTMENT police officers and your are preventing me from accomplishing this.

police kill approximately 1500 men, women and children a year.
i have seen innocent unarmored men executed in from of their family including children

In disturbing 2016 body-cam video released by Mesa Police, unarmed man Daniel Shaver is seen crawling and begging before ..

- this man had a very disturbing message

Charlie Kinsey, 47, was shot by an officer while trying to help a man with autism from the assisted living facility where Kinsey ...

- this man was laying on his back with his hands up when he was shot.

there is an infinite amount of examples of public executions by incompetent men pretending to be cops and nothing is being done to resolve the issue but instead many of these men are not found guilty of anything.

Impunitas continuum affectum tribuit delinquendi.
Impunity confirms the disposition to commit crime.

so the problem not only continues but gets worse.

i do not want to die and certainly do not want to be murdered and even more so do not want to be murdered by men whose entire existence is contingent on protecting me.

3 men (actors) were present.

i require the true, correct and complete identity of each man present.
i also require a true, correct and complete copy of the police report
i also require a true, correct and complete copy of all image/video/audio taken.
